

EAGLE EYE

FORKLIFT CAMERA SYSTEM

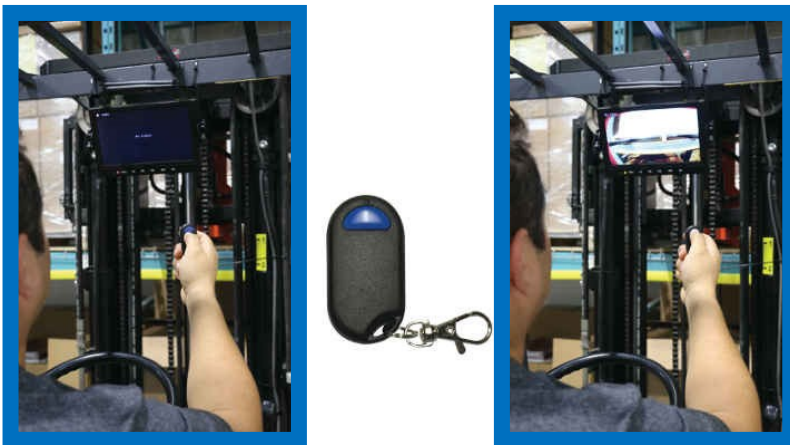

QUESTIONS PLEASE CALL FIRST QUALITY FORKLIFT TRAINING AT (800) 647-3738

The Eagleye is the first reinforced all-in-one forklift camera system. The Eagleye is a durable, metal encased forklift camera system that is IP67 rated for dust and water protection. The Eagleye is also a fully wireless camera system, so no unnecessary cables are needed between the camera and the monitor. The Eagleye comes complete with 9" LCD monitor, 40-hour battery pack, camera, key fob switch and carriage mount bracket.

*****Mounts on Class II carriages Only*****

The key fob function allows the operator to only use the Eagleye when needed. Monitor view automatically turns off after 5 mins of inactivity.

Each component can be quickly removed from the casing with the installed Velcro strips
